Network**

I have read and agree with the Marine Fish Conservation Network's (Network) *National Agenda to Protect, Restore, and Conserve Marine Fisheries*. I fully support the Agenda and am committed to actively advancing and promoting it. I agree to allow public use of my organization's name on Network publications and other public documents; to participate in

Network business, which will include meetings and conference calls; to be responsive to Network communications; to work in good faith with the Network to resolve differences and problems; and to actively recruit members into the Network.
